Trasfo® project

TRANSFORM YOUR ENERGY

Trasformatori e autotrasformatori monofase e trifase da 0,5 a 2000 KVA.

0.5 to 2000 KVA single-phase and three-phase transformers and autotransformers.

Einphasen- und Dreiphasen-Transformatoren und Spartransformatoren von 0,5 bis 2000 kVA

Reattanze trifase e monofase per commutazione, uscita inverter di blocco e spianamento.

Three-phase and single-phase reactors for commutation, block inverter output and levelling.

Drei- und Einphasen-Kommutierungsdrosseln, Ausgang Frequenzumrichter für Sperre und Glättung

Trasformatori monofase e trifase per inverter e per raddrizzatori.

Single-phase and three-phase transformers for inverters and rectifiers.

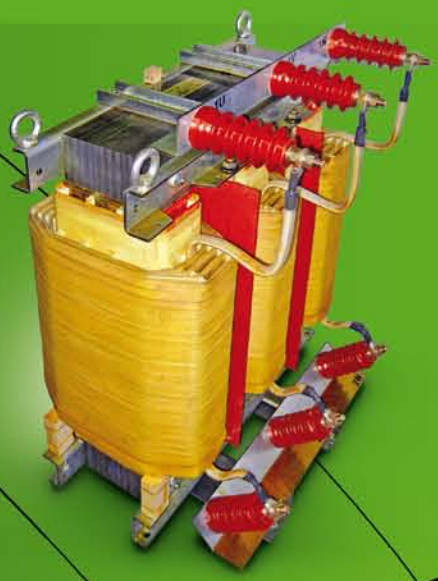
Einphasen- und Dreiphasen-transformatoren für Frequenzumrichter und Gleichrichter.

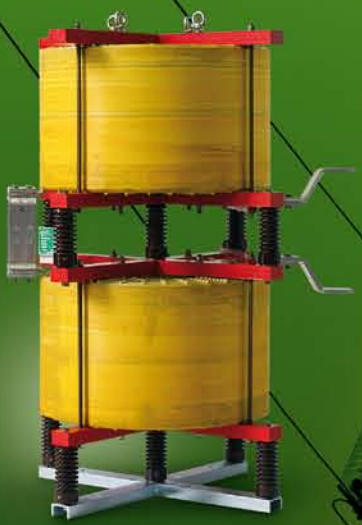
TRANSFORM YOUR ENERGY

Esecuzioni speciali in MT - *MV Special versions* - Spezialausführungen

Trasformatori
Transformers
Transformatoren

Reattanze
Reactors
Drosseln





TRANSFORM YOUR ENERGY

Trasformatori e reattanze speciali per convertitori raffreddati ad acqua

Special transformers and reactors for water-cooled converters

Spezielle Transformatoren und Drosseln für ölgekühlte Umformer

CERTIFICATE TÜV NORD

Management system as per
EN ISO 9001 : 2008

TRASFO PROJECT S.r.l.
Via Chemello, 18
36075 Montecchio Maggiore (VI)
Italy

Design, manufacture and testing of electric transformers and reactors

Certificate of Compliance

Underwriters Laboratories Inc.

TRASFO PROJECT SRL
VIA CHEMELLO 18
36075 MONTECCHIO MAGGIORE VI ITALY

Systems, Electrical Insulation - Component

Look for the UL Recognized Component Mark on the product
